

A virtual EC Meeting of the IEA was held between 20th—27th April, 2016 to discuss the issue of **entitlement of IEA life members to only e-copy of the Indian Economic Journal.**

Accordingly, out of 38 EC members, excluding Presidents--Association and Conference both, General Secretary and Treasurer, Managing Editor of IEJ and the Local Organising Secretary, 32 members cast their votes and 6 did not. All the 32 votes cast were in favour of the proposal as per the agenda.

Thus, it is thereby resolved that **existing as well as new IEA life members will be entitled to only e-copy of the Indian Economic Journal that will be sent to them by email and not the hard copy of the 4 issues of journal brought out in each volume each year. This would also apply to the pending issues of 2013, 14 as well as 2015.**

This change would be notified in the membership form too from this date onward.
