Acharya Nagarjuna University is named after Acharya Nagarjuna - one of the most brilliant preceptors and philosophers - whose depth of thought, clarity of perception and spiritual insight was such that even after centuries, he is a fount of inspiration to a vast number of people in many lands. The University is fortunate to be situated on the very soil where he was born and had lived, a soil made more sacred by the aspiration for light and a state of wholesomeness by generations of students. It is the profound wish of the people of the area that this University one day raises to the level of the yesteryear Nalanda and Taxashila.

Established in 1976, the University has completed 40 years under the stewardship of successive Vice- Chancellors. ANU is situated between the cities of Vijayawada and Guntur in Andhra Pradesh on Calcutta and Chennai National Highway (N.H-5), its Campus is spread over an area of 270 acres. Quantitative expansion and qualitative improvements on various academic fronts have been made possible through the efforts of its dedicated faculty, an efficient team of supporting staff and high quality students input. Teaching and Research are the two eyes and twin goals of the faculty in the University College.

The University started as an affiliating University with only 10 Postgraduate courses in the University College, which have been in existence right from 1967 when it was a part of the Andhra University Post- Graduate Centre at Nallapadu, Guntur. The University at present offers Postgraduate education in 70 courses, besides Postgraduate courses in affiliated colleges. Administration of the existing courses of the campus college is redistributed into three constituent colleges: i) College of Arts, Commerce & Law, ii) College of Sciences, iii) College of Physical Education and Sports Sciences from the academic year 2010-11.

The University College of Engineering and Technology established in 2009-10 offers instruction for B.Tech in CSE, ECE, EEE, Civil, Mechanical and M.Tech., in Computer Science, Electronics and Communication Engineering, Structural Engineering and Power Systems. The College of Pharmaceutical Sciences established in 2009-10 offers M.Pharmacy programme in five specializations, along with B.Pharmacy. The University College of Architecture and Planning with B.Arch. programme also started functioning from the academic year 2010-11. These initiatives reflect the importance attached by the University to offer technical and professional education.

The University has exclusive centres of study such as Dr. B.R. Ambedkar Centre for Social Policy and Social Action, Mahayana Buddhism, Scientific Socialism, Disaster Mitigation Studies, Prof. K.S. Murthy Centre for Studies in Afro-Asian Philosophies, and Women’s Studies, indicating the diversified activities of the University. A special centre for conducting studies on Mahatma Jyothirao Phule and his social philosophy, Gandhian Studies Centre is organising a series of lectures on Gandhian philosophy. Centre for Entrepreneurship Development is guiding young and enthusiastic students to undertake entrepreneurial activities.

The University Library has acquired a large collection of books for the ongoing teaching and research work in the university. The library has a micro filming unit and Documentation Cell. The Library has been subscribing to as many as 450 National and International Journals besides acquiring the back numbers of frequently used Journals and spends about Rs.60 lakhs for this purpose. A Primary Health centre is functioning on the Campus to provide medical aid to the Staff; the Instrumentation Centre and the Computer Centre which are equipped with the latest technology are functioning effectively. The Internet facilities in the campus have been modernised by introducing fibre optic connectivity, Wi-fi facility is provided to entire campus.

National Assessment and Accreditation council has accredited Acharya Nagarjuna University with 'A' Grade (3.08 CGPA). ANU has been certified under ISO 9001-2015 in August, 2016. In 2016 University got Time Higher Education World University Rank 801+ and only 33 Universities in India got placement in TIMES ranking. And in South India, among public Universities, ANU secured second rank. In BRICS (Brazil, Russia, India, China, South Africa) (in QS Ranking), ANU secured a Rank in 201-250 Bracket. In Web of Universities World Ranking, ANU secured 3877, and stood Second in Andhra Pradesh. In 4ICU World Ranking, ANU Secured a Rank of 4483, and stood Second in Andhra Pradesh also secured National Institute Ranking Framework (NIRF) Rank of 101 in the bracket of 101 to 150 in entire India. In August 2017 ANU bagged 25th rank among all Indian Universities by Outlook - Drsht University Survey 2017. They announced top 30 Universities in entire India. More specifically in student improvements category ANU highlighted with 7th Rank in entire country.

ANU has by virtue of Academic competence, become a global University with 500 students from 20 Countries studying in the campus.
The Department of Economics is one of the biggest and oldest Departments in the University established in the year 1976 with one Professor and three lecturers. At present, there are 01 Professor and 01 Assistant Professor in the Department. The Department offers with an intake of 45 students. Thus every year, nearly 90 Post-graduate students are being trained in the Department. The alumni of the Department are being placed in higher positions in Administration, teaching and research fields.

The Department also offers full-time and part-time research programmes leading to M.Phil., and Ph.D., Degrees. All the staff members are guiding students for research. So far more than 125 M.Phil., and 110 Ph.D., Degrees were awarded in the Department. On an average 07 Ph.Ds were awarded per year during the last five years.

The thrust areas of research in the Department include Agricultural Economics, Rural Development, Labour Economics, Public Finance, Industrial Economics, Environmental Economics, Demography, Development Economics and Econometrics.

Among the other dignitaries visited our Department were Noble Laureate Sir John Hicks (21-01-1982) and Dr. Ursula Hicks. There are a number of students produced by the Department who are working in high esteemed position like World Bank, RBI, Income Tax Department, Indian Railways etc.

In addition to teaching and guiding research, the Department has a credible record of the individual research projects. About 20 major and minor research projects funded by the UGC successfully completed. There are 9 Post Doctoral Fellows and 17 RGNF Research Scholars getting Financial assistance from different funding agencies such as UGC, ICSSR and MNF.

The Department has been a pioneer in the organization of conferences, seminars oriental programmes for refresher courses and research methodology courses. A good number of refresher courses, research methodology courses and summer institutes have been organized for the benefit of the college teachers and research scholars in economics. It has successfully organized several conferences. The most important of them being the Andhra Pradesh Economic Association Annual Conferences (Three times). Apart from these, several national seminars/conferences were also organized in the Department.

The faculty members have also been actively participating in the national and international conferences. During the last five years the faculty participated in 100 national and international seminars/conferences and published several research articles in nationally/internationally reputed professional journals. On an average, the Department has published 30 articles per year during the last five years. The faculty members also served on the various academic bodies like NAAC, UGC, ICSSR, Board of Studies, Academic Senate, Editorial Boards etc., Some of the faculty members of the department are the recipients of the prestigious awards like Best Teacher Award, Life time achievement award and of the rising personalities in India.

In recognition of its achievements, besides the academic programmes, the department has actively participated in extension and social activities namely Janmabhoomi Programme, Community Development Programme, Relief Programme in Hudood Cyclone affected areas, AIDS awareness programmes etc. The Department ranked first by the Government of Andhra Pradesh in conducting the Janmabhoomi Programme (Meekosam) in 2015. Thus, the Department has no hesitation what so ever to place on record that it is one of the most energetic, enthusiastic and academic departments in the state as well as in the Country.
